

Mohammad Khalid

Full Stack Developer

I am a dedicated and detail-oriented software developer with 1 year of full-time experience. I am working in many technologies including HTML, CSS, JavaScript, ReactJS, Redux, Nextjs, NodeJS, ExpressJS, Nestjs, and MongoDB skills to create responsive and user-friendly web applications. With a strong desire to learn and grow, I am to transition into a full-stack developer role, combining my front-end expertise with back-end development knowledge to build robust and scalable web applications.
